With the publication of the *Parerga and Paralipomena* in 1851, there finally came some measure of the fame that Schopenhauer thought was his due. Described by Schopenhauer himself as 'incomparably more popular than everything up till now', the *Parerga* is a miscellany of essays addressing themes that complement his work *The World as Will and Representation*, along with more divergent, speculative pieces. It includes his 'Aphorisms on the Wisdom of Life', reflections on fate and clairvoyance, trenchant views on the philosophers and universities of his day, and an enlightening survey of the history of philosophy. The present volume offers a new translation, a substantial introduction explaining the context of the essays, and extensive editorial notes on the different published versions of the work. This readable and scholarly edition will be an essential reference for those studying Schopenhauer, the history of philosophy, and nineteenth-century German philosophy.

A new, up-to-date translation of this historically important collection of essays

Includes a substantial introduction to the work

Provides scholarly notes on differences between editions

作者介绍:

Sabine Roehr, New Jersey City University

Sabine Roehr is Assistant Professor of Philosophy at New Jersey City University. She is the author of *Hubert Fichte: Poetische Erkenntnis. Montage, Synkretismus, Mimesis* (1985) and *A Primer on German Enlightenment* (1995).

Christopher Janaway, University of Southampton

Christopher Janaway is Professor of Philosophy at the University of Southampton. His most recent books include *Schopenhauer: A Very Short Introduction* (2002) and *Beyond Selflessness: Reading Nietzsche's Genealogy* (2007). His most recently edited collections include *The Cambridge Companion to Schopenhauer* (Cambridge University Press, 2000) and *Better Consciousness: Schopenhauer's Philosophy of Value* (2009, co-edited with Alex Neill). He is General Editor of *The Cambridge Edition of the Works of Schopenhauer* series, for which he has translated *The Two Fundamental Problems of Ethics* (2009) and co-translated *The World as Will and Representation, Volume 1* (2010).
