If there is such a thing as a comfort food book, Bemelmans stories are it. His evocative tales of a grand hotel life have a reporter's eye for sensory detail, yet he always manages to bathe his world and its lovable characters in the mood for a fairytale. Meet the girl-hungry hotel Magician, Kalakobe the African cook, Mr Sigsag, Monsieur Victor, Mespoulet, and an unforgettable cast of down but not yet out hotel employees. This book offers a feast of food writing. And once you've read one Bemelmans tale, you fall in love and want to read the lot. --This text refers to an alternate Paperback edition.
