What's the secret to overall trading success?

What sets successful traders apart from the unsuccessful ones?

Expert author team Matt Kirk and Sari Mustonen-Kirk believe it's the way they think. In this fascinating book, *Bullseye: Top Trader Thinking*, the authors combine practical trading advice with valuable insights from noted traders such as Larry Williams, Daryl Guppy, Andrew Lythgo, Guy Bower, Catherine Davey, Andrew Patterson and Tom Scollon. *Bullseye* shows you how to hit your trading target. From creating your own trading mandate and system, to learning what markets and products are right for you, *Bullseye* shows you the 'hows' and 'whys' of being consistently successful. Matt and Sari let you in on the secrets that top traders know and use every day, and provide easy to apply tools that will help both novice and experienced traders realise their full potential. Learn how to trade CFDs, options, futures, shares and FX profitably and with confidence. *Bullseye* delves into the psychology behind successful trading, providing you with a comprehensive yet simple guide to help you get the best from your trading. Starting in financial markets in 1985, Matt Kirk has traded his own account, managed portfolios in the billions, and is a highly respected adviser and educator on global markets.
