The Barefoot Investor is about creating the financial freedom to live your dreams, whatever your age. It shows how getting your financial act together can be downright sexy, allowing you to achieve the things that mean the most to you - regardless of your

income. Scott Pape, the Jamie Oliver of finance, writes for the young and hip who want to enjoy life now – not to wait on dead men’s shoes. He shows you how to manage your money to do the things you want: whether it's to quit the job you hate to make a career of what you love; buy a cool flat; go backpacking; or build a wealth portfolio for the future. It is packed full of simple tips, tricks, checklists and quizzes that will help you to transform your personal wealth with minimum effort. By following the Barefoot plan you can make your money work for you. There are five simple steps here showing you how to save it, invest it and let it do the hard work for you so you can tread your own path. At last, you can live your dreams and pay for them too.
