This picture book's little boy visits the zoo, where he learns that "Giraffes doo-doo from way up high," and "monkeys doo-doo right in front of you!" But our cheerful little boy is different from the zoo animals, because he has learned how to sit on the toilet. Parents who share this humorous picture book with their child will discover that it's a pleasant and positive way to introduce them to toilet training. The color illustrations on every page will make boys and girls laugh as they begin to comprehend the story's point. The book concludes with confidence-boosting tips that parents and toddlers can read together. (Ages 2-4)
