Pauline, Petrova and Posy are three orphans who were adopted as babies by Great Uncle Matthew (or GUM, for short) and given the surname "Fossil" after his hobby of fossil collecting. GUM sets off on a long sea voyage and the money he has left behind for the care of the children is running out fast, when they are accepted as charity pupils at the Children's Academy of Dancing and Stage Training. There they determine to make the name "Fossil" famous, each in their own particular way.

The different personalities and talents of the children are vividly described. Posy is by far the best dancer, Pauline is a brilliant actress and Petrova - well, Petrova is more interested in airplanes.

This beautiful story in which children succeed on their own, without running to grown-ups for help, will inspire every reader to strive to fulfill their own life ambitions, and to persevere until they achieve them.

作者介绍:

Noel Streatfield was born in 1895 in Eastbourne, the second of a family of six children. During World War I, she worked in a soldiers' hospital kitchen and then in a munitions factory, and after the war she trained as an actress at the Academy of Dramatic Art.

She had already begun writing and producing her own plays when her first novel, *The Wicharts*, was published in 1936, and she went on to write dozens more novels and plays for children and adults. In 1939, she was awarded the Carnegie gold medal for her distinguished contribution to children's literature, and in 1983, she was honoured with an O.B.E for contributions to Literature and England.

During World War II, she once again worked tirelessly, serving as an air raid warden, running a mobile canteen and organizing the evacuation of families from London, among many other roles.

She made a good recovery from a stroke in 1968 and continued publishing novels into the late 1970s. She died in a nursing home in 1986.

children's
classic..军训间看掉的。不错啦。小孩子们为了家庭自己的人生奋斗的小故事~小感动~

2018-06: 也算是经典儿童读物，用词超级简单。故事围绕三个收养的小女孩以及他们家的房客，颇有点《小妇人》的感觉（虽然小妇人还未看完）。书中也有典故，比如爱丽丝。看起来真的很有趣，本是淘来的旧书，居然是硬壳精装，内里完好，捡到宝的感觉。

don't give up in any time

每天读一章讲给女儿听，听了一个礼拜没了兴趣，我却把它读完了。

二手书店换回的书，一个礼拜看完了，我第一本完整看完的英文小说，真感动啊自己！

Ballet Shoes

初中时最给力的一本小说！

小朋友读物，温馨可爱。

中学时候读过的一本小说，挺好看的，讲了三姐妹学芭蕾舞的故事，怎么找到人生目标，怎么功成名就，过上幸福生活。对于老大来说，成功就等于汗水和专注，老二找到自己
所好，发光发亮，快乐生活，老三是最小的一个，在希望中成长，承蒙几个姐姐和养父
母的照顾，像花朵一样灿烂开放。

很轻松愉快的小故事，即便是儿童读物，大人也读的很开心
