Enjoy a visual flirtation with our most enigmatic domestic companion—the cat. Laurel Burch uses her keen intuition and uncanny imagination to create images of whimsy and allure, and moving themes in paint and paper, the vivid colors touched with gold and silver. The trim size and eye-catching cover of this journal will attract the attention of even the most world-weary shoppers. Our Santa Fe Felines Mini journal cover explores the seductive enigma that is the cat.

This book also features our innovative flap design, which hides the full cover image until the flap is opened; and it comes with a memento pouch, ribbon page marker and archival quality, lined cream paper.
