From an extraordinary discovery in a remote desert oasis to a desperate race against time in the ocean depths, a team of adventurers is about to find the truth behind the most baffling legend in history. The hunt is on for…

Marine archaeologist Jack Howard has stumbled upon the keys to an ancient puzzle. With a crack team of scientific experts and ex–Special Forces commandos, he is heading for what he believes could be the greatest archaeological find of all time—the site of fabled Atlantis—while a ruthless adversary watches his every move and prepares to strike.

But neither of them could have imagined what awaits them in the murky depths. Not only a shocking truth about a lost world, but an explosive secret that could have devastating consequences today. Jack is determined to stop the legacy of Atlantis from falling into the wrong hands, whatever the cost. But first he must do battle to prevent a global catastrophe.
