Champions League Dreams is a stimulating and deeply insightful football narrative by Rafa Benitez which focuses on the legendary manager's dramatic six Champions League campaigns with Liverpool. Rafa expertly navigates fans through intriguing European adventures that embrace the triumph and despair of two Champions League finals, three semi-finals and five quarter-finals in what was a golden era for the Anfield club - an era that supporters felt gave them their pride back after years in the wilderness. What sets Champions League Dreams apart is the unique ways in which Rafa allows fans into his high-pressured world, the fascinating glimpses he offers of a top manager's thought processes and decision making during the cut and thrust of a high-octane European campaign. Understand how a great manager prepares for, then executes, a master-plan for European success.

评论

贝尼特斯执教利物浦的那段经历，他还是比较注重科学分析，战术运用的。但是他转会买人还是有所欠缺的，本书只谈成就未谈过失。
