The first story recounts the tale of Dr. Magus, a collector of souls. When he stops at the circus, he attempts to collect the souls of the elders to become an all-powerful God. But in his haste and greed, Dr. Magus forgets about the quietest member of the Four-Who-Are-One. In the second tale, Devon and Kara, lovers and members of rival gangs, discover each other's secrets during a jaunt to the Circus of Souls. Will their allegiances to their gangs tear them apart or can they learn to forgive even the darkest sin and strengthen their love? In the third account, the circus members narrate stories of how each of their lives came to be forever inked to the Four-Who-Are-One elders. These fascinating tales amazingly parallel the lives of Blackwell, Fortunado, Tiberius and Stargrave's lives in another time and place. The last story details the life of gifted musician, Romeo Blade. He has everything he ever desired in both his personal and professional life. However, Romeo forgets about the warning given to him by the gypsy witch when he visited the circus: "Everything has a price and gifts must be respected." Take a journey with the members of the Kiss Psycho Circus and learn of their lives, the lives they have affected and the fate of those who refuse their advice.
