Voilà! is an exciting full-colour course for adults starting French, whether for leisure, business or as part of a programme of study. In 12 lively topic-based units, learners progress from absolute basics to the skills, structures and topics required for NVQ level 1 or equivalent. In this second edition, the course has been revised and updated to

reflect recent trends. With a modern colourful design, Voila! retains its familiarity and the well-organised, functional approach which has made it one of the most popular courses of its kind. This pack contains: * a 256-page Student Book * a Support Booklet * two CDs of the listening material
