For the first time, porn legend Aiden Shaw takes fans behind-the-scenes to the gay adult film world that made him a star. My Undoing ventures from locales such as Los Angeles, San Francisco, New York, and London, to the sets of premiere studios like Falcon, Catalina, and Studio 200.

Yet, this is not the typical adult film memoir, where stars drop names and titillate readers with explicit moments. Although My Undoing shares in unsparing detail all the hot stories about the sex and drugs that fueled Aiden's life, it more profoundly follows him through a course of rocky and unfulfilling relationships. As Aiden eloquently and often humorously points out, the romantic life of an adult film superstar is sometimes lonely and lacking in love. But not love only in the form of a relationship, rather also love from within himself. The book is equally moving for his revelations about his Irish Catholic family, his Positive HIV status in the sex industry, and his recovery from a near fatal car accident that left him temporarily paralyzed.
