In the 1960s, when the question "Guess who's coming to dinner?" was posed, the answer often meant that a white family had to make way for an African-American

in-law. In this new millennium, the new face at the dinner table may be one of any number of races, ethnicities, and religions. Full of funny and poignant stories, Guess Who's Coming to Dinner? will interest anyone seeking a better understanding of religious, ethnic, or racial differences.
