出版时间:2005-11-15

装帧:Paperback

isbn:9781412072625

Laughter Midnight is a collection of quirky ideas, goofy thoughts, pointless advice, and comical sketches. These mindless masterpieces will bring roaring laughter to any household. It's the ultimate book to read when you want to rest the part of your brain that deals with seriousness and intelligence. Laughter Midnight is particularly fun to read with a group, late at night, when minds are a little mushy. It's also great for boring days, on the toilet, in the car (not while driving), between classes, or anytime you want to chuckle. It's the perfect gift for the person who has everything except good, common sense.
