For the new and veteran elementary school principal, here is a unique "survival kit" packed with tested advice, practical guidelines, and ready-to-use materials for all aspects of your job. From the perspective of an author with twenty-five years experience, this book offers techniques such as creating a school vision, building and sustaining morale, utilizing technology, and long-term, strategic school planning. The included companion CD-ROM serves as the perfect enhancement to this book. This time saving device contains all of the book's forms, checklists and letters for easy print out and use.
