出版者:Jossey-Bass

出版时间:2004-4

装帧:Paperback

isbn:9780787969219

This important book is a practical, theory-based resource on the topic of health care quality management written for health care administrators and practitioners. It offers the tools needed to help managers make decisions, prioritize resources (financial and human), and analyze and improve the care they deliver. "The Handbook" offers a hands-on approach to specific topics such as the implementation of managerial goals, instructions for developing accurate measurements for evaluating care, the utilization of data as a basis for process improvement, exploration of quality management tools and techniques, guidelines for the complex integration of collaborative services in health care, and methods for effective communication and improving accountability.
