著者:Deirdre David

出版者:University of Pennsylvania Press, Inc.

出版时间:2007-6-1

装帧:Hardcover

isbn:9780812240238

"Acclaimed, reviled, acclaimed again, Fanny Kemble played a highly significant cultural role on both sides of the Atlantic. As Deirdre David convincingly shows, the life of this actress-turned-writer-turned-polemicist not only offers a fascinating subject in its own right but also intersects with so many of the nineteenth-century figures who still interest us today: the Shelleys, the Brownings, Carlyle, Dickens, Thackeray, George Eliot, Liszt, Longfellow, Hawthorne, Henry James, and many, many more. David's absolute familiarity with all of them is impressive and reassuring, but it is of course Kemble herself who matters here most, and David's enormous empathy with this mercurial woman is wonderfully infectious."--U. C. Knoepfelmacher
