In this handsome book, H.J.A. Sire provides the first complete history of the Order of St. John, also called the Knights of Malta, from its military and political role during the

Crusades to the modernized Catholic institution that it is today. Generously illustrated, the book contains numerous examples of the Order`s enormous art and architectural legacy over nine centuries.

医院骑士团（马耳他骑士团）历史的经典之作。篇幅适中，图文并茂，学术性强，内容全面。美中不足的是某些重大事件用笔较为简略。
