## 作者介绍:

Wu Ming is a mysterious collective of guerrilla novelists from Italy. The group originated as part of the Luther Blissett project, which published the novel, *Q*. In January 2000, some of the LBP regrouped as Wu Ming, more focused on literature and storytelling in a narrower sense of the word, but no less radical.

The five Wu Ming writers are Roberto Bui, Giovanni Cattabriga, Luca Di Meo, Federico Guglielmi and Riccardo Pedrini. Wu Ming, which means “Anonymous” in Mandarin.
