装帧:Paperback

isbn:9781884365324

This guide to popular drum styles offers approximately 400 musical examples in standard drum notation showing grooves and practical variations, and provides overviews of the history and development of almost all popular music styles. Among

the many styles and subsidiary styles covered are blues, rock, jazz, Afro-Cuban, Brazilian, klezmer, zydeco, funk, bossa nova, polka, Dixieland, surf, and disco. While this resource and two-CD set can serve as a simple encyclopaedia for those who need to know how to play a particular style, suggestions on varying the beat patterns for those who want to explore further and create their own patterns are also included. In addition, the two CDs contain performances of the musical examples in the book, which is designed with a lay-flat binding for easy use.
