Abby Barton's TV career is taking off and now she and her husband can have the life they've always dreamed of in a lovely Irish town -- at least, in theory! But when your husband takes you for granted and your teenage daughter hates you, an adoring old flame can spell danger to your seemingly perfect life. Fortunately, Abby has her friends to keep her sane. For starters, her best friend, Sally, owns a beauty salon, and Sally and her husband throw fantastic parties, where there are still more friends to be made.

<CENTER>Just be sure to share.</CENTER>

Sally's friend Lizzie makes time for everybody: her gal pals, her grown children, even her ex-husband. But when her ex finds someone new, Lizzie can't help but wonder if she'll ever love again. The women are all thrilled to meet Erin, who has moved home to Ireland from Chicago for her husband's new job. But is she cut out for small-town life, and what of the family she left behind years ago? Together and on their own, these four women are about to face highs and lows they never anticipated. Only from each other can they learn that life is for the living and that they need to grab it with both hands....
