Book Description

SuperTots

SuperTots is a fun, three-level course for very young children learning English for the first time.

In this series, children use their imagination and creativity as they become involved with the ongoing characters in SuperTots. A range of activities that engage their minds, bodies, and emotions will also help with their intellectual and social development.

Special features of the Student Book:

- * simple, natural dialogs and relevant vocabulary based around child-centered themes.
- * appealing child and fantasy characters maintain a high level of interest
- * lively songs, chants, games, and TPR help children learn through music, rhythm, and action
- * selected alphabet sounds introduced through familiar vocabulary
- * 4 pages of pull-out stickers for personalization and reward
- * optional culture craft pages offer hands-on projects
- * a 2-page color picture dictionary helps parents and teachers review language
- * language reviewed and recycled through the levels.
