This work features a structural syllabus combined with child-centred activities.

Features a syllabus, which provides progression in the four skills. The emphasis on grammar and vocabulary acquisition is combined with opportunities for communicative tasks. Practice is provided by child-centred activities such as songs, rhymes, and games. It contains illustrations and photographs providing visual explanations.

is a lively language course for children learning English for the first time.

* has a carefully graded syllabus which provides steady progression in all four skills. The lower levels emphasize speaking and listening but also lay a foundation for the more demanding comprehension and story-writing skills in later levels.

* is based around a variety of texts and activities, including entertaining stories, songs and games, which are all carefully matched to the interests of children.

* Workbooks reinforce the language learnt in the Pupil's Books and include special revision sections.

* Teacher's Books provide teachers with clear guidance and lots of extra ideas. They also include tests which record children's progress.

* is easy to use and fun to use!
