著者:Robert Clarke Sabuda

出版者:Simon & Schuster

出版时间:2005-11

装帧:HRD

isbn:9780689853630

《冬之童话》的灵感来自Robert Sabuda幼年与父亲一同穿越密执安州森林一次美好冬季旅程的回忆。本书延续了Robert Sabuda所钟爱的纯净风格，堪称其最瑰丽的作品。为了捕捉雪地的印象，书中缀饰了银箔，不时散出星点的反射，正如光与雪的交辉，给您一幅冬季最美丽的意象！

Book Description

Winter's Tale is Robert Sabuda's most spectacular original pop-up story yet. The simple, elegant text is illustrated with breathtaking artwork and extraordinary paper engineering. Stunning visual effects of foil, glitter, and a twinkling surprise further capture the magic of winter. This is a must-have for everyone's bookshelf.

From School Library Journal

PreSchool-Grade 3–Done mostly in sparkly whites, shiny silvers, and icy pastel hues, Sabuda's dazzling pop-ups upstage the simple text in a tale that highlights the wonders of a winter landscape. The paper constructions are indicative of the artist's usual high standard: an owl soars off the pages; a cave lifts and opens to show the foxes concealed within; and a waterfall cascades into a rushing river, where a bear darts forward to catch the fish that dance above the water's surface. The final 3-D scene shows all of the creatures posed within a forest of evergreens and bare trees, while a snowman standing in front of a lonely house reveals himself as the story's narrator, and promises to return for a visit next year. All of the animals—whether deer, squirrels, or a moose—are sculpted out of flat white paper, making them look elegant against the more colorful woodsy backdrops. While the artwork is stunning, there is not much plot here and the pop-ups are delicate, making the book more of a confection for browsing or winter displays than a story for reading.

评论

好看的要死

手贱的结果是穷困潦倒

比我想象的还要美，虽然动物都是用的白色单充分利用闪粉闪光纸让画面毫不单调，反而很丰富。还充分契合了冬日、自然这些我喜欢的点

Sabuda的另一种风格。
