Book Description

It slices! It dices! It's the Swiss Army Knife of books! The most useful book in the world! Chockfull of tools, charts, rulers, gadgets, form letters, and more, Use This Book can be employed in thousands of everyday situations.

- * Forgot your watch? Turn to page 157 and assemble a sun dial.
- * Need a drink? Go to page 193 and fold together a drinking cup.
- * Desperate to beat the heat? Open to page 197 and build yourself a cooling fan.
- * Stuck on a commuter rail line? Jump to page 153 and cut out the chess board, complete with game pieces.

And that's just the beginning. Page 151 features a template for the perfect paper airplane. Pages 155 156 feature maps of the world. Page 9 features a No Parking sign. We've also included luggage tags, dance steps, an eye doctor's test chart, and much, much more. With an engaging design and loads of helpful instructions, Use This Book is an essential companion for readers of all ages. Don't leave home without it!
