著者:Mark Kurlansky

出版者:Vintage

出版时间:2000-11-2

装帧:Paperback

isbn:9780099284130

They are a mythical people, almost an imagined people, writes Kurlansky. Signs of their civilization exist well before the arrival of the Romans in 218BC. Their forbidden tongue is equally mysterious, it is related to no other, but today the Basques are enjoying what may be the most important cultural renaissance in their long existence.
