Important lessons and key investment strategies for trading stocks, options, and futures. *Sniper Trading* helps readers fine-tune their trading to the point where they know exactly where the market will go and when it will get there. With thirty years of experience, George Angell shows readers how to trade successfully on a consistent and informed basis. *Sniper Trading* is a complete guide to trading everything from stocks and options to futures. Readers will discover how to price trading, identify buy and sell zones, place spread or seasonal trades, and, most importantly, how to win at trading by overcoming common pitfalls and mastering common learning curves. Angell offers the individual trader the inside track on his most successful investment strategies, so they can profit like the professionals.
