Daryl Guppy's trading book Share Trading has been continuously in print for ten years. Share Trading was first published in 1996, and it is now widely accepted as the best selling trading book in Australia. This Special 10th Anniversary Edition marks this remarkable achievement. Featuring a new preface by Daryl Guppy, this is a book about

trading. It's about private traders working from home, buying and selling shares in listed companies. It is also about making money and that means buying and selling for profit.
