Whether already experienced with hedge funds or just thinking about investing in them, readers need a firm understanding of this unique investment vehicle in order to achieve maximum success. Hedge Funds unites over thirty of the top practitioners and academics in the hedge fund industry to provide readers with the latest findings in this field. Their analysis deals with a variety of topics, from new methods of performance evaluation to portfolio allocation and risk/return matters. Although some of the information is technical in nature, an understanding and applicability of the results as well as theoretical developments are stressed. Filled with in-depth insight and expert advice, Hedge Funds helps readers make the most of this flexible investment vehicle.
