评论

可以参考2011年Niall Ferguson的三集纪录片《China: Triumph and Turmoil》,两位经济自由主义者的观点大体如出一辙。只是书比影片交代了更多中国近现代史的细节与作者不遗余力去批判与分析的洞见与观点

Hutton is one of the few journalists who actually spent the time to understand the complexities of contemporary China. Though I disagree with his conclusions, I applaud his efforts.

岛国日子里读过最让我抽筋的一本书，当然更抽筋的是它9.99镑的价格。Bullshit和真理夹杂，就看你如何看待了。
