SECRETS OF THE MILLIONAIRE MIND reveals the missing link between wanting success and achieving it!

Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments?

The shocking answer is: None of the above!

In his groundbreaking SECRETS OF THE MILLIONAIRE MIND, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money -- and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success.

SECRETS OF THE MILLIONAIRE MIND is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it.

In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth.

If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

评论

跟 有钱人想的和你不一样 大概类似 不过后者表达更中国式 简单直接 全面不深入
让你读完感觉很有用但不知道怎么用 印象不深很教条～
外国人的表达类似从自己生活经历 所思所想开始 仿佛你跟作者一起成长 一起顿悟
一起实践 一起总结 一起迭代改进 生活方面的感悟会比较深 但要办起讲座
感觉就很鸡汤 成功学神马的就是催生肾上腺素～

对我比较适用

这种书对我来说，真的太低级了

改变了很多我对钱的想法。每月必读。
