

# Nature within Walls

[Nature within Walls\\_ 下载链接1](#)

著者:Elizabeth Hammer

出版者:Yale University Press

出版时间:2004-3-23

装帧:CD-ROM

isbn:9780300103441

Its architectural elements, rock formations, plantings, and pond not only provide a peaceful environment but also offer visitors a window through which they can glimpse how nature was traditionally perceived in Chinese culture and how these ideas

influenced the arts of this ancient civilization.

作者介绍:

Focuses on the Chinese Garden Court, one of the most pleasant and popular parts of the Museum's Asian art galleries.

## 评论

图书馆中有一本《A Chinese Garden Court: The Astor Court at the Metropolitan Museum of Art》专讲明轩的专刊，作者是Alfreda Murck和方闻，封面和这本书一样。这个链接有视频介绍：
