

# Auguste Rodin: The Burghers of Calais

[Auguste Rodin: The Burghers of Calais\\_ 下载链接1](#)

著者:Nelly Silagy Benedek

出版者:Metropolitan Museum of Art

出版时间:2000

装帧:82 1/2 X 94 X 75 in

isbn:9780870999482

This publication includes a summary of the sculpture's history, general information about Rodin, connections with other artist's works, a detailed analysis of the sculpture's formal innovations, and a writing activity. These materials should prove useful for teachers of various disciplines. Studying and appreciating the complexities and nuances of Rodin's *The Burghers of Calais* will teach students about innovation, creativity, heroism, self expression, as well as about looking, thinking, and writing critically.
