Beth and Anna are in complete despair. They'd planned to spend their fifteenth year transforming themselves from mediocre mates to gorgeous goddesses. But when they notice that their sixteenth birthdays are rapidly approaching, they realize that they're running a bit behind schedule. So the girls make a list of the ten things they think they need to do to be more popular and beautiful. But from homemade hair extensions to bad fake tans, it's just one catastrophe after another. And to make matters worse, it seems like the two hottest guys in school are always watching!! Not only are they far from being the sixteen-year-old goddesses they set out to become, but it looks like love is off the agenda too. Or is it?...
