著者:Rachael Matthews

出版者:M Q Publications

出版时间:2005-11-01

装帧:Paperback

isbn:9781840729870

Rachael Matthews, author of the new book Knitorama, will show you how to entertain your friends with knitted cakes, surprise them with fried-egg earmuffs, take your revenge on bad tv with a wooly hand grenade, protect your speakers by knitting covers, cook with yarn vegetables, and make a glam cardigan from squares. Suitable for adventurous beginners and other knitters, Knitorama will help you realize your creative potential.
