No other volume has ever presented such a diverse and captivating collection of contemporary animal-themed ceramics. Juried by distinguished artist and educator Joe Bova, this magnificent gallery includes pieces from an international group of artists; the beautifully crafted works range from the representational to the abstract, from artful realism to provocative surrealism (including animal-human hybrids). Ann Marais' image of a waterfowl painted onto a porcelain dish has a restrained, Asian quality. Sharkus' painted and smoke-fired stoneware turtle could easily be mistaken for the living creature. Bova provides astute and illuminating commentary overall, with selected artists' notes.

## 书评

我和女儿一起读的这本书，她很喜欢。  
我们俩就像逛了一次画廊，她甚至指着其中的一幅作品说，“妈妈，这很像我们前些日在看过的元青花展览”，孩子的艺术敏感实在是最质朴、最直接了。
