It's unrealistic to expect to engage in full-on sex all the time, which is why "quickies" are not optional, they're damn necessary. The Art of the Quickie is a book that will coach readers how to have quick, but rewarding sex. Quickies can be even more fulfilling than those long sessions because the thrill involved in having sex unexpectedly and/or in

forbidden locations adds a potent element of excitement. But what about women, is the quickie fair to them? The Art of the Quickie features definitive guidelines for women to experience faster orgasms-in 5 minutes!-thereby relieving men of the performance anxiety that often accompanies the responsibility of bringing their partners to orgasm. The Art of the Quickie features twenty-five full-color photographs of various techniques, positions, and exciting, forbidden places that are perfect settings for a quickie.
