With eight Grammy nominations, a gold record, and sales of over 4.5 million, Ani DiFranco is one of America's most fiercely independent and beloved musicians, as well as an outspoken voice of conscience. For the first time, she releases a book of poetry and paintings capturing her essential artistry that has helped define and invigorate a

new generation. Ani DiFranco: Verses rages, eulogizes, menaces, revels, and envisions. With a poet's precision and a citizen's take, DiFranco finds the meeting places of intimacy and politics, of self and country, of resolve and compromise, and of the fickle and magnificent capacities of love and solitude.
