Book Description

Part of an ELT course which aims to help nurture children's confidence and enthusiasm for English through gently graded activities. The syllabus has built-in revision and pronunciation lessons, and involves pupils in the evaluation of their own progress.

Synopsis

Bravo! is an exciting course for children who are learning English. It is suitable for complete beginners as well as children who have done an introductory or pre-school course. Extensive research and piloting ensure that the materials are ideal for the language classroom and appropriate for different cultural backgrounds.

Key Features

* Bravo! has cross-curricular activities which reflect what the children are learning in other subject areas, such as geography, maths and science.

- * Bravo! has a variety motivating topics that reflect the growing maturity of the child
- * Bravo! develops the children's vocabulary and gives practice in all four skills
- * Bravo! has task-based activities and exercises which provide a meaningful context for spoken communication
- * Bravo! is based on a carefully-graded structural and lexical syllabus. There are regular revision lessons which are used to mark the student's progress throughout the course.
