Kitchen Essentials tells you all you need to know to put together a creative kitchen you'll love to cook in. Journalist Fay Sweet begins with Getting the Elements Right, which shows you how to pick all the components for your kitchen—from units that provide the storage to work surfaces that are durable and practical. Putting It All Together looks at various styles (from country to modern) and solutions for creating for creating the perfect kitchen. Fay tackles the problems posed by a small kitchen and by one catering for a busy family. The color photographs, including photo montages at the end of each section, will give you plenty of creative ideas. An invaluable resource list tells you the best places to purchase what you need. About the Author Fay Sweet is a journalist and broadcaster specializing in design and architecture. She is a regular contributor to the London Evening Standard, Homes and Gardens, the Independent on Sunday, and BBC radio. Her books include
