出版时间:1995-01-01

装帧:Paperback

isbn:9780810926059

Paintings by Gustav Klimt (1862-1918) are featured here in 25 large reproductions, many enriched with gold and silver. Every painting is accompanied by a brief commentary examining its place in the artist's development, the circumstances of the commission, and the role of the subject in Klimt's personal world in turn-of-the-century Vienna.
