Boys need to know three things: Who's the boss? What are the rules? And, are you going to enforce them? Sons need firm, kind leadership. One of the few parenting books that husbands steal from their wives, this is the straight-forward, easy-to-read family bookshelf standard with over 250,000 copies in print. The Eliums continue to chart new territory with our updated, expanded, and revised edition. Look for discussions on:

- boys and Attention Deficit Disorder
- teaching boys to nurture themselves and others at home
- creating a balance between work and home
- the maturing relationship between mothers and sons
- a resource section for parents of gay sons and other sexual identity issues
- new and updated parenting resources
- an index for quick refernece and more!

评论

三点感想：1) 男孩子的情感教育很重要，在他儿时的时候身为父母要让孩子知道，任何情感都是可以表达的；2) 界限感约等于安全感；3) 不足五星是因为这本书太侧重依赖所谓的”健全“家庭模式了，也许是因为出版已经二十多年的缘故，书中很少提及单亲，同志家庭，领养家庭，重组家庭等等。
