It's the Moonlight Ball tonight and each fairy is arriving in her special party dress. Izzy's chosen a lovely red daisy skirt, Chloe chose a white one and is enjoying dancing to the fairy band. Molly's running late but she's flitting amongst the flowers to get there as quickly as she can, and as the moonlight streams in, Gracie arrives, just in time to see the belle of the ball, the Fairy Queen. Meet these enchanting fairies, with touch-and-feel silky flower skirts that will bring their magical world to life!
