Memer is a child of rape; when the Alds took the beautiful city of Ansul, they desecrated or destroyed everything of beauty. The Waylord they imprisoned and tortured for years until finally he is freed to return to his home. Though crippled, he is not destroyed. His life still has purpose. Memer is the daughter of his House, the daughter of his heart. The Alds, a people who love war, cannot and will not read: they believe that in words lie demons that will destroy the world. All the city's libraries, the great treasure trove of knowledge of ages past, are burned, except for those few volumes secreted in the Waylord's hidden room. But times are changing. Gry Barre of Roddmant and Orrec Caspro of Caspromant have arrived in the city. Orrec is a story-teller, the most famous of all: he has the gift of making. His wife Gry's gift is that of calling; she walks with a half-lion who both frightens and fascinates the Alds. This is Memer's story, and Gry's and Orrec's, and it is the story of a conquered people craving freedom.

本书半真实地反映了知识分子的革命不彻底性。如果是别人写的，也许会给个“推荐”，但是老奶奶写成这样，我只好狠心批评，尤其要批评她不负责任乱用 deus ex machina!

I used to go months, years, never seeing a new face. I used to go all day never speaking a word. I didn’ t live with human beings.
