The Economist

编辑部出的,出版周期不定,基本上是半年一本.涵盖这段时间内最受关注的话题.

Now available each season, Intelligent Life is the engaging lifestyle magazine from The Economist. With spirited writing and bold design, this elegant publication brings its unique perspective to an eclectic range of issues, from travel to the arts and from fashion to philanthropy.

In features and shorter pieces, Intelligent Life delivers insights into the pleasures and potential of modern living. With distinguished writers from around the world and evocative photography commissioned for each issue, Intelligent Life is a dynamic new environment for readers and advertisers alike.

Intelligent Life is now published quarterly: September, December, March and June. The magazine will be available on newsstands, or by subscription, in the UK, continental Europe, the Middle East and Africa.
