出版者:Small Press Distribution

出版时间:1992-05-01

装帧:Paperback

isbn:9780921331100

Funny, powerful rip cuts along society's seams. Davies has all the tools to make the work work. This is one writer who is in complete control. He knows where he's going and drags the reader along for a wild ride, all the while making it look easy. This is a poet to watch, as he tears down common linguistic phenomena and rebuilds them as text.

Kevin Davies lives and teaches in Brooklyn, New York.
