When Jack St. Bride arrives by chance in the sleepy New England town of Salem Falls, he decides to reinvent himself. Tall, blond, and handsome, Jack was once a beloved teacher and soccer coach at a girls' prep school -- until a student's crush sparked a powder keg of accusation and robbed him of his reputation. Now, working for minimum wage washing dishes for Addie Peabody at the Do-Or-Diner, Jack buries his past, content to become the mysterious stranger who has appeared out of the blue. Yet planting roots in Salem Falls may prove fateful for Jack. Amid the white-painted centuries-old churches, a quartet of bored, privileged teenage girls have formed a coven that is crossing the line between amusement and malicious intent. Quick to notice the attractive new employee at Addie's diner, the girls turn Jack's world upside down with a shattering allegation that causes history to repeat itself. Suddenly nothing in Salem Falls is as it seems: a safe haven turns dangerous, an innocent girl meets evil face-to-face, a dishwasher with a Ph.D. is revealed to be an ex-con. Now Addie, desperate for answers, must look into her heart -- and into Jack's lies and shadowy secrets -- for evidence that will condemn or redeem the man she has come to love. --This text refers to an out of print or unavailable edition of this title.
