Mike's back, this time tackling The Pres and promising to kick the good old boy's butt from here to kingdom come. As if that's not enough he's aiming to smoke him out well in time for next year's elections... Other targets include Murdoch's media and particularly useful are ideas including a Green Party for men who eat red meat, a Pope who likes the ladies, and a handy guide to "Talking To Your Conservative Brother-in-Law". --This text refers to an out of print or unavailable edition of this title.
