Best known as the author of *Lady Chatterley's Lover* and *Women In Love*, D.H. Lawrence also wrote a good deal of fine poetry in which he used words in a richly textured way to express deep emotion. In addition to the celebrated title poem, this exceptional collection includes such memorable poems as "A Collier's Wife," "Meeting Among The Mountains," "Monologue Of A Mother," "The Sea," "Humiliation," "Fireflies In The Corn," "New Heaven And Earth," and many more.
