This fully updated edition of Grammar Essentials is designed for students and adults who need to improve their writing ability quickly to move ahead. Invaluable for those who write reports, memos, correspondence, requests for material, this book focuses on "mastering the basics." Included is a 20-step guide to provide practical and fun exercises, and a self-study program that helps readers work at their own pace and make progress. A pre-test shows where the most help is needed, and a final exam tests newly learned grammar skills for reinforcement. Plus, you'll find the 25 most common grammar mistakes, and how to avoid them.
